## OBJECTIVE

Passionate Web Developer with expertise in **React.js, JavaScript, and the MERN stack**, experienced in building scalable, user-focused web applications. Delivered production-ready solutions during an internship at **Centre for Railway Information Systems (CRIS)** and currently completing a **100 Days – 100 Projects Challenge**, showcasing consistent problem-solving and dedication. Proficient in frontend development with strong backend knowledge, API integration, and database management. Seeking an opportunity to contribute to a growth-driven company by delivering clean, responsive, and high-performing web applications.

## SKILLS

**Frontend Development:** HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap, SASS, Responsive Design, Bootstrap.

**Backend & Databases:** Node.js, Express.js, REST APIs, MongoDB, MySQL

**Programming Languages:** Java, Python, C

**Tools & Workflow:** Git/GitHub, Firebase, Figma, Deployment Netlify, Testing, Debugging & Performance Optimization

## EXPERIENCE

**Frontend Developer Intern** – Centre for Railway Information Systems, Delhi – Jul 2023 – Dec 2023

**Project:** Banaras Locomotive Works [Indian Railway]

- Developed 15+ optimized web pages and 4 interactive dashboards using React.js.
- Enhanced UI/UX with Tailwind CSS and SASS, leading to a 25% increase in user engagement.
- Integrated REST APIs with MySQL, enabling real-time updates and smoother data flow.
- Collaborated in Agile team using Git/GitHub for version control and deployments.

**Customer Care Executive** – Reliance Jio, Mumbai – Apr 2024 – Feb 2025

- Delivered customer support by resolving complex issues with clear solutions.
- Strengthened communication and problem-solving skills, improving satisfaction scores.
- Demonstrated adaptability during a personal recovery period while maintaining professionalism.

## PROJECTS

- **100 Days 100 Projects Challenge (Ongoing):** Building and posting 100 web projects in HTML, CSS, JavaScript, and MERN. 50% completed; projects showcased on GitHub, LinkedIn, and Portfolio. [Live Demo](#)
- **Personalized Portfolio Website:** React.js-based portfolio with modern responsive UI. [Live Demo](#)
- **Face Recognition Smart Attendance System:** Automated attendance using Python & OpenCV.
